Dear Wallcut -

I see by Lib^r. that Garrison
was to go to Providence for last evng.
- So very likely you had no oppo: to
consult him about a day for our
Comtee meeting, concerning which you
probably got a letter from me yest.
[Friday] morning. - If such
is the case, & if he doesn't appear
Monday a.m., please send out
the notes I sent you filled up for
Thursday, 16th, 3 P.M.

And please drop me a line by
Monday noon mail, to tell me what
you have done. I may be glad to remain
here over Tuesday, for some needful work
